

**Name**

ESTIV travel grant.

**Donor**

The European Society of Toxicology *In Vitro* (ESTIV).

**Description**

ESTIV will grant 2 travel bursaries to attend the 11th World Congress on Alternatives and Animal Use in the Life Sciences taking place 23-27 August 2020 in Maastricht-The Netherlands. Grantees will be:

- Reimbursed up to 500€ of travel and accommodation costs after the 11th World Congress on Alternatives and Animal Use in the Life Sciences following submission of a certificate of attendance as well as original receipts and/or invoices.
- Expected to write a contribution on the conference for the ESTIV newsletter.
- Expected to give a webinar on their research for ESTIV members.

**Eligibility**

At the time of the deadline of application, eligible candidates must be:

- Member of ESTIV for at least 1 year.
- Maximum 35 years old.
- At master, doctoral or postdoctoral level.
- Officially living or working in Europe in the past 3 years.
- Not have received a travel bursary from ESTIV in the past 5 years.
- Not have received a travel bursary from another source for attending the 11th World Congress on Alternatives and Animal Use in the Life Sciences.

**Application**

The application dossier should contain:

- A copy of the identity card mentioning date of birth.
- A *Curriculum Vitae* including full affiliation and list of publications.
- Letter of support of 2 referees among which preferably the current supervisor and/or former (master/doctoral) thesis promotor.
- A personal motivation letter.

The different documents in the application dossier should be sent as PDF files in a single mail to the ESTIV President (mathieu.vinken@vub.be) at latest by 1 July 2020 at 5:00 pm CET. Evaluation of the application dossiers and selection of the winners will be done by the ESTIV Board. The winners will be personally informed by the ESTIV President by 5 July 2020 followed by announcement in the ESTIV newsletter and social media.
