11th World Congress on Alternatives and Animal Use in the Life Sciences

Sponsorship Prospectus

22-26 August 2021
MECC Maastricht – The Netherlands
Invitation from Professor Jos Kleinjans and Dr. Janny van den Eijnden-van Raaij.

As chair of the Local Organizing Committee, it is my pleasure to invite you to be part of the 2021 World Congress on Alternatives and Animals in the Life Sciences (WC11), which will be held on 22-26 August 2021 in Maastricht, The Netherlands, Europe.

The 2017 World Congress (WC10) in Seattle showed again a growing interest from scientists, regulators and policymakers in the field of alternatives. Experts from various business sectors, including Pharma, Biologicals, Food, Cosmetics and Chemicals, were also in attendance, as the congress provides an opportunity to network and engage on novel approaches and technologies.

This is your opportunity to be part of this unique, innovative and excellent world congress. The theme of this congress is ‘3Rs in transition: from development to application’. WC11 promises to attract leading scientists and decision makers from all over the world. We will provide a multidisciplinary program ranging from more traditional themes such as replacement, reduction and refinement (3Rs) of animal use in life sciences and safety assessment to the very latest developments and novel technologies for studying disease mechanisms in non-animal models. The ethical aspects of animal use in life sciences will also be part of the program. This congress will provide an excellent opportunity for you to engage with an international audience of more than 1,000 scientists, policymakers and innovators in the fields of The Three Rs. It also provides you with the perfect stage to present your latest innovations to the most relevant user groups in the field.

The congress will take place in the MECC Convention Centre. The MECC is located at the heart of the Maastricht Health Campus. The exhibition area, combined with the poster and break areas, will be placed at the centre of the congress to provide you with maximum visibility.

We hope that you are as enthusiastic about WC11 as we are! We look forward to seeing you in Maastricht in 2021!

Jos Kleinjans (chair) and Janny van den Eijnden-van Raaij (co-chair) on behalf of the organizing committee
WHY SPONSOR?
Reasons why your Business should be sponsoring

Put Your Business in the Spotlight
Having a presence at our congress positions you and your business as an authority in your industry. You gain respect and credibility by standing out from the pack of attendees and prominently displaying your products and marketing materials. Instead of just attending the event and looking for people to share your business card with, sponsorship brings attendees who are eager to find out about your business directly to you.

Get in front of your Target Market
The WC11 organizers are spending time and money marketing the WC11 Congress to your target audience, bringing these attendees into the room. Your job is to come prepared to take full advantage of this opportunity by making sure you create eye-catching, professional signs, marketing materials and product displays that draw attendees to you.

Lead Generation and New Contacts
Be sure to have some sort of lead generation system in place during the days of the WC11 Congress. People will give up business cards and email addresses in exchange for a chance to win a great prize in a draw, samples or even chocolates and other promotional item giveaways.

Get Your Brand Noticed
Being featured in the program book of the WC11 Congress, on the website with your logo and having an item in the gift bags are all great ways to leverage your sponsorship and get brand recognition.

New Clients, New Customers, New Business
Not only are the attendees of the WC11 Congress potential new clients and customers, so are your fellow sponsors and vendors! You can form new business partnerships, meet like-minded business professionals in complimentary businesses with which you share the same target market but are not in competition.

Give attendees a “taste” of your business
Bringing samples to the WC11 Congress as giveaways is a terrific way to capture the attention of attendees. Be creative and think of out-of-the-box ways to stand out. By sharing a sample or trial offer of your product, you engage attendees and increase your chances of turning them into new customers.

Market Your Business Inexpensively
We all know how much advertising your business can cost. It can run into a thousand dollars or more to place an ad in a well-known local publication that will appear only once! Spending that same amount or less as a sponsor or vendor at WC11 Congress is a much wiser investment that will bring a greater return on investment. Remember, you will be in the same room with hundreds of attendees who are your target market. By leveraging the WC11 Congress to your advantage, there will be no limit on your potential ROI.
WC11 stands for ‘11th World Congress on Alternatives and Animal Use in the Life Sciences 2021’. The Alternative Congress Trust (ACT) in Baltimore, MD, USA in 1993 launched the first in a series of world congresses, to be hosted by various countries at two or three year intervals. Over the years, subsequent World Congresses (WCs) have been organized in Utrecht (The Netherlands), Bologna (Italy), New Orleans (USA), Berlin (Germany), Tokyo (Japan), Rome (Italy), Montreal (Canada), Prague (Czech Republic) and Seattle (USA). The 11th WC will be held in Maastricht (NL) in 2021.

Dr. Kirsty Reid
EFPIA - European Federation of Pharmaceutical Industries and Associations, Belgium
Dr. Hans Ketelslegers
Concawe, Belgium
In planning the program, the Organizers shall make a particular effort to reach out to the various specialty groups (e.g. the EU Platforms and Centers, other world 3Rs centers, FRAME, InterNiche, the animal NGOs, ICCVAM, JACVAM, AN-ZCCART, the CCAC, etc.) to solicit input and ideas from them about possible program elements and speakers.

In addition to keynote lectures presented by high-profile scientists from multiple disciplines relevant for the 3Rs, sharing visionary perspectives in plenary sessions, the program will consist of a series of symposia, thematic workshops, debates (stakeholder debate to facilitate/push transition) and poster sessions, that all aim to support continuing education and training, stimulating interactions and networking. Both basic and more advanced sessions will be offered to the participants, relevant for those who aim to learn about new approaches and techniques, or intended specifically for those with prior knowledge or experience in a specific field within alternatives and animal use in the Life Sciences.

In particular, we intend to offer the floor to young scientists, during the symposia and the workshops as well within the context of specific sessions where young researchers will be challenged to share their opinions on groundbreaking 3R-related issues. The organizers will establish a “Young Scientist” competition. This will entail offering travel scholarships for selected and qualified scientists under 35 years old, as of the end of the year before the Congress, to make presentations at the Congress. The award winners for this “Young Scientist” program shall be listed and highlighted in the program. The presentations will be part of the regular programming rather than segregated into a special “young scientist” segment.

Furthermore, we propose to invite school children from the Maastricht region to suggest and present issues for the stakeholders’ discussion.

Maastricht, the oldest city in the Netherlands, lies at the heart of a Euregion of 4 million people who live in 3 countries and speak 4 languages. With a history stretching back some 2,000 years, the Romans, Spaniards, French and Germans have all left their mark in Maastricht. The energy that this generates has resulted in a city that is bursting with creativity, with researchers and with young innovators.

Maastricht has superb international facilities and regularly organizes similar congresses. The MECC convention centre is situated physically in the grounds of the Maastricht Health Campus. Maastricht is a very attractive tourist destination in the Netherlands with historic buildings, trendy designer shops, beautiful churches, adventure-filled caves, tantalizing menus and welcoming café terraces. Maastricht is a dynamic, historic city which is easy to get around. Hotel and traffic infrastructure is very convenient, and Maastricht is easily accessible by plane, train and by car due to its central location in the heart of Europe.
SPONSORSHIP OPPORTUNITIES

Sponsorship opportunities are an excellent way to keep your name out front. We offer Platinum, Gold, Silver and Bronze levels. In addition, you can also choose to be an Exhibitor or Advertiser only. Individual Sponsor Opportunities are available as well. Sponsorships are a critical tool in your marketing efforts and an ideal way to ensure your sales and marketing messages are seen and heard.

A-LA-CARTE ADD-ONS

We’ve put together a diverse menu of sponsorship opportunities — but sometimes you crave a little something extra. Customize your sponsorship experience by purchasing à la carte enhancements. These are designed to promote brand awareness, drive booth traffic, and engage attendees. Some à la carte enhancements are available only to existing WC11 sponsors. Availability is on a first-come, first-served basis.

Stay tuned for additional opportunities to be released soon.

Knowledge Bar
PRICE: € 50,000
AVAILABILITY: Exclusive

Maastricht is famous for its very rich social scene, especially the many restaurants and bars. Nowhere in the Netherlands is the density of bars as high as in Maastricht. You can have your own Maastricht local bar on the exhibition floor. Feature your experts to serve-up advice on specific topics and insights. A casual environment encourages attendee engagement. And of course, drinks are included!

* Item will be tailor made, contact us for more information.

Innovation Lab presentations
PRICE: € 5,000
AVAILABILITY: 10

Situated at the heart of the Expo Hall, the Innovation Lab is the place to be for showcasing your latest solution through a technical presentation, new product launches, and Q&A with attendees. Here, feature your experts to serve up advice on specific topics and insights in a casual environment for significant attendee engagement. The Innovation Lab also serves as the stage for the elevator pitches, to present startups and new innovators.

* One pre-approved, 15-minute presentation on dedicated stage
* One pre-approved, 60-second video to play on loop real during off hours, specs for video provided by organisation
* Promotions on the official congress website and Mobile App

Name title “Best Upcoming Scientist Award”
PRICE: € 25,000
AVAILABILITY: Exclusive

Be the name sponsor for the “Best Upcoming Scientist Award” to be handed over during the WC11 closing ceremony.

* Item will be tailor made, contact us for more information.
The WC11 Local Organising Committee (LOC) and International Scientific Committee (ISC) offers companies and organisations to sponsor and/or organise a session for the duration of approximately 90 or 120 minutes in a breakout room. The sponsor receives acknowledgement in the Scientific Program (if approved by the ISC) and in the Sponsors’ List in the Final Program.

We consider two different types of session contributions from sponsors:

**Organiser of a session programmed by the sponsor**

**PACKAGE**

In this case the you as a sponsor will select the topics, speakers and chair(s). The content of the session must be in line with one of the following themes: Safety, Disease, Innovative Technologies and Ethics and Welfare and will be subject to approval by the ISC. Please consider that the speakers expenses and any additional costs will not be covered by the WC11 organization.

THE SPONSOR WILL RECEIVE:

- Acknowledgement in the Scientific Program (if approved by the ISC)
- Acknowledgement in the Sponsors’ List in the Final Program
- A breakout room (200 pax) with standard AV equipment

SPONSORSHIP FEE AND DURATION

- 90 minutes: € 4,000
- 120 minutes: € 6,000

MENTIONED IN THE PROGRAM AS

This session is sponsored and organized by [NAME]

* Please note: if the ISC does not approve the session, the session can still be held in consultation with the Conference organisers, but will not be mentioned as part of the WC11 Scientific Program. The sponsorship fee for a non-approved session is € 5,000.

**Sponsor of a session already programmed by the ISC**

**PACKAGE**

In this case the ISC will select the topics, speakers and chair(s). The speakers expenses and any additional costs will not be covered by the sponsor. The sponsor only provides a financial contribution to the session.

THE SPONSOR WILL RECEIVE:

- Acknowledgement in the Scientific Program
- Acknowledgement in the Sponsors’ List in the Final Program

SPONSORSHIP FEE AND DURATION

- € 2,000
- The ISC will determine the length of the session.

MENTIONED IN THE PROGRAM AS

This session is sponsored and organized by [NAME]

**WC11 keynote speaker**

PRICE: € 5,000

AVAILABILITY: 4

Connect your name to a keynote speaker in the Scientific Programme and support the Scientific Programme.

* Name mentioned in the Congress Program at chosen keynote speaker slot.
* Name will be mentioned as: This Keynote Speaker is supported by [NAME]
CONGRESS APP

Main sponsor
PRICE: €10,000
AVAILABILITY: Exclusive

Our mobile application will put all congress details at the user’s finger tips on their iPhone, Androids and Blackberry devices. The application will be visible before, during and after WC11!

* Visibility during installation, set-up and on the home page
* Own sponsor profile page with ad promotion and link to website
* Highlighted on the floor plan for extra visibility
* One push message with your content

Sponsor profile page
PRICE: €3,000
AVAILABILITY: 10

Create your own page within the congress app with your logo, an ad promotion, information and a link to your website. This page even shows where participants can find you on the floor plan.

* Own sponsor profile page with ad promotion
* Link to the floor plan in mobile app
* Link to your own website
